

FSC PROMOTIONAL LICENCE AGREEMENT

APPLICATION FOR FSC TRADEMARK SERVICE AND LICENCE AGREEMENT

Fill in this form to apply for an FSC Promotional Licence Agreement (FSC Trademark Service and Licence Agreement). Send the completed form to FSC Australia/New Zealand at **trademarks@au.fsc.org**. For queries, please call **+61 4 3707 2058**.

With this application you ask for permission to use the FSC trademarks to advertise the FSC certified products you sell to end users or promote that your organisation uses FSC certified products in its own operations. You agree to use the FSC trademarks in accordance with the FSC Trademark Use Guide for Promotional Licence Holders. You also agree to enter into an FSC Promotional Licence Agreement (FSC Trademark Service and Licence Agreement) between FSC Australia/New Zealand (Trademark Service Provider, TSP) and your organisation (Licensee). You also commit to submitting all instances of intended use of the FSC trademarks for approval prior to publication.

Furthermore, you agree to pay an annual fee for the services you receive, in accordance with the FSC Promotional Licence Agreement. To determine the appropriate fee category, you will need to provide FSC Australia/New Zealand annually with proof of revenue through annual reports or other appropriate corporate documents.

You must attach proof (e.g. invoices or delivery documents) that the products you would like to promote are FSC certified with the artwork submitted for approval. These documents must include your supplier/s FSC certification number and will indicate which products are FSC certified and to which FSC material category they belong. Sensitive information can be deleted or covered and all documents are kept confidential. The documents are only used by FSC Australia/New Zealand to check product authenticity prior to approval of trademark use.

Furthermore, you confirm that the FSC certified products you would like to promote carry an FSC on-product label and have been sourced directly from, and invoiced by, an FSC certified company, and that the products will not be repackaged, labelled or altered by you in any way.
